The box was handed down and the driver told to "drive on," and on he drove, and that was all of the affair. Judge Fuller cays that he does to the that five minutes elanced from affsir. from a visit to some quicksilver mines, oben through some unexplained cause the horses ran away, throwing out both gentlemen. They were severely bruised, and the Colonel was unable to get and the Colonel was unable to get around for some time, but now is nearly recovered. We are gratified that the gentlemen were not more seriously hurt, for, from the nature of the ground, the Colonel says it was a wonder they es-caped with their lives. ACCIDENT. - On Tuesday morning, about 1 o'clock, an unfortunate accident occurred at the well being dug below town. John Lehigh was being lowered, in a tub, down the well, which is nearly 500 feet deep, when, by some unaccountable mishap, the brake slipped, and the bucket, with Lehigh in it, was precipitated to the bottom, sustaining very severe and complicated injuries. It never rains, but pours, and it would seem that stage robbing is becoming the rule on the route between Palisade and Eureka. The Hamilton stage that came in last evening brought no express box for Wells, Fargo & Co. The driver said the stage had been robbed a second time the other side of Eureka. We could not learn any further particulars.

DAN COUN .- By some mistake Mr. Cohn's advertisement was left out in our issue of yesterday, which we regret. We take this opportunity of calling attention to his large and well selected stock of clothing and dry goods. Cohn's place of business is on the northern side of Main street, in the fire-proof building formerly occupied by James Cronan.

YESTERDAY evening a large wood pile on the lower side of Lacour street, was discovered to be on fire. Luckily there was no wind, and some water being close at hand, the fire was put out before it had destroyed much of the wood.
